CONCEPT

CONCEPT premium brend

Nedostatak vremena za predah od svakodnevnih problema sa kojima se susrećemo, doveli su do toga da se o prostoru namenjenom za ličnu higijenu i opuštanje sve manje vodi računa. Naša želja je bila da to promenimo i da od kupatilskog prostora napravimo oazu skrivenu od buke i stresa.

*Rezultat svih tih promišljanja je pred Vama - **CONCEPT premium brend***

Pažljivo dizajnirani kupatilski elementi (tuš kabine, kade, baterije, galanterija i oprema za kupatilo) učiniće da baš ovaj prostor bude najvažnije i najlepše mesto u Vašem domu, s tim da ćete biti pred ogromnim "problemom" – koju seriju odabrati?

Ovaj katalog ima upravo tu funkciju, da Vam olakša odabir idealne kombinacije za Vaše kupatilo i da postignete harmoniju tri važna elementa: estetiku, funkcionalnost i praktičnost.

*Svaki, pa i najmanji, proizvod CONCEPT brenda upravo to i oslikava. Bilo da želite da promenite tuš kabinu ili kadu, da oplemenite kupatilo određenom serijom galanterije, ili su Vam potrebna neka idejna rešenja **CONCEPT premium brend** je tu za Vas.*

CONCEPT – JEDNOSTAVNO I ELEGANTNO KUPATILO

“Niš ta veliko na svetu nije
postignuto bez strasti.”

G.W.F. Hegel

TUŠ KABINE I PARAVANI

CONCEPT serija tuš kabina i tuš paravana namenski je dizajnirana kako bi vaše kupatilo odisalo elegancijom i jednostavnošću, ali da u isto vreme bude apsolutno praktično za sve generacije. Upravo to nam je bila ideja vodilja dok smo kreirali serije koje su pred vama: Absolut, Atlas, Alpha, Devon, Fonta, Monte, Neptun, Opal, Star i Titan.

CONCEPT

CONCEPT SOLILUX KADICE

Prateći svetske trendove vezane za ekologiju i zaštitu prirodne sredine

CONCEPT premium brend je rešio da promeni dosadašnji pristup izrade tuš kadica i okrenuo se **SOLILUX** materijalu koji apsolutno zadovoljava svetske standarde, a tuš kadicama daje mnogo lepši izgled sa jačom strukturom i lakšim načinom održavanja.

Već dugi niz godina ova vrsta materijala je prisutna na japanskom i američkom tržištu, i zbog svojih karakteristika drži dominantnu poziciju ne samo u proizvodnji kadica već i sudopera, kada, kupatilskih zidova i panela. **SOLILUX** je materijal sačinjen od jedinjenja fiberglasa, specijalne smole, pigmenta i prirodnog ispunjivača, a kombinacija visokog pritiska i temperature od 160 stepeni u procesu same izrade, daje rezultat apsolutnog kvaliteta i dugotrajnosti.

Da biste imali bolji uvid u kvalitet **SOLILUX** kadica navešćemo vam razlike u odnosu na obične keramičke ili emajlirane kadice:

- **SOLILUX** kadica je lakša nego kadica od klasične smole
- **SOLILUX** kadica ima veći otpor na udarce od akrilnih kadica i zato teže dolazi do ogrebotina i oštećenja
- **SOLILUX** kadice ne menjaju boju tokom vremena
- **SOLILUX** kadica daje osećaj topline prilikom dodira
- **SOLILUX** kadice su ravne na poleđini i time su lakše za montažu i ugradnju
- **SOLILUX** kadica nikada neće zarđati
- U proizvodnji **SOLILUX** kadica se ne troši puno energije i mogu se reciklirati, za razliku od klasičnih keramičkih kadica.

MICROBAN TUŠ CREVA

Vodeći računa o vašem zdravlju CONCEPT premium brend je kreirao posebnu liniju tuš creva koristeći tehnologiju zaštite srebrnim jonima, koji sprečavaju širenje bacila i rast štetnih bakterija na tuš crevu.

Istraživanja su dokazala da su srebrni joni efikasni u borbi protiv skoro 650 bakterija, virusa, gljivica i to bez razvijanja otpornosti odnosno rezistencije.

Tuš crevo je zaštićeno na svim slojevima, kako spoljašnjim tako i unutrašnjim.

Zaštita koja sprečava razvoj klica i bakterija na površini creva.

Specijalna tehnologija izrade zbog koje crevo traje duže.

Nevidljiva antibakterijska zaštita unutar creva.

Mikrobi se ne mogu razvijati ni razmnožavati na površinama creva.
