Sušači za ruke, dozeri sapuna i dispanzeri ispunjavaju sve potrebe korisnika dok visok kvalitet izrade garantuje dug životni vek. Funkcionalnost, elegancija i ekonomičnost glavne su odlike svih PROCLEAN proizvoda, pa tako ne samo da se estetski uklapaju u svaki ambijent, nego i svojim delovanjem drže visok nivo čistoće i štede novac.

PROCLEAN je veoma posvećen zaštiti životne sredine te su svi artikli kreirani u skladu sa tim načelima, fokusirani na dve najvažnije stvari: ušteda energije i smanjenje zagađenosti planete.

A high-angle photograph of a white rectangular sink set into a speckled granite countertop. A sleek, chrome single-lever faucet is centered on the sink. To the right of the sink, a chrome touchless soap dispenser is mounted on a wall of large, light-colored square tiles. A large mirror is mounted above the sink, reflecting the wall and the dispenser. The overall aesthetic is clean and modern.
